## EMT UNIFORM GUIDE

The following uniform items are required of all EMT participants. Participants are expected to be in uniform during all class hours starting with the first class. If you have trouble obtaining any of the items, contact the EMT Coordinator.

Visible tattoos (arms, hands, legs, neck, etc.) must be covered at all times while wearing the EMT uniform. Long sleeve uniform should be used to cover tattoos that are located on the arms. If you have another method of covering tattoos you should contact the EMT Coordinator to discuss it. Students will not be allowed to wear a long sleeve t-shirt underneath a short sleeve uniform shirt.
