\$80 per person. Class is limited to 25 participants.

Course Overview

This course expands upon the material covered in ICS 100 through ICS 300. ICS 400 focuses on large single-agency and complex multi-agency/multi-jurisdictional incident response. The course addresses area command and staff issues, as well as the planning, logistical and fiscal considerations associated with complex incident management and interagency coordination. ICS 100, 200, and 300 are prerequisites to the ICS-400 course.

Course Objectives

Describe how the NIMS Command and Management component supports the management of expanding incidents. Describe the incident/event management process for large-scale organization development; roles and relationships of the primary staff; the planning, operational, logistical and fiscal considerations related to large and complex incident/event management. Implement the application of Area Command and the importance of interagency coordination on complex incidents/events.

Topics

- ICS Fundamentals Review for Command and General Staff
- Major and/or Complex Incident/Event Management
- Area Command
- Multi-Agency Coordination

Your Instructor: Stewart Roth - Stew has been a student of this great profession for over 34 years, starting his career as a Student Fire Fighter at age 16 with the Carmel Highlands Fire Protection District.
