Fire Prevention 1

Fire and Life Safety Inspections for the Company Officer

Class Description:

This course provides a basic knowledge of the Company Officer certification track and Capstone Task Book process. The student will be equipped with knowledge and skills related to the Company Officer's role in fire prevention, the relationship between life safety and building construction, the elements of a quality company inspection program, and how to address complex hazards encountered during an inspection.

Instructor Bio:

Howard Cooke's experience of more than 45 years in the fire service consist of Master Instructor (CSFM and U.S. Air Force), firefighter/paramedic, confined space instructor, investigator, heavy rescue, supervising fire inspector, and Community College teaching credentials (fire technology). Howard retired from the USAF after 22 years in fire suppression, fire training and fire investigations and also retired from the Sacramento Fire Department after 22 years in fire prevention as a supervising Fire Inspector.
