

South Bay Regional Public
Safety Training Consortium
& the San Jose Fire Department

S-290: Intermediate

Wildland Fire Behavior

Class Description:

This is a classroom-based skills course designed to prepare the prospective fireline supervisor to undertake safe and effective fire management operations. It is the second course in a series that collectively serves to develop fire behavior prediction knowledge and skills. Fire environment differences are discussed as necessary; instructor should stress local conditions.

Instructor: Pat Schreffler

Pat Shreffler has 45 years of fire experience that includes Kern County Fire Department Training Officer and USFS Battalion Chief. Pat served 22 years on Type I and II Incident Management Teams. He has been Red Carded as OPS2, SOFR, SITL, and STL Engine, Crew, and Dozer. He also served as Fire Behavior Specialist, Prescribed Fire Burn Boss and Firing Boss. Pat is known as one of the best and most experienced instructors having been continuously teaching Fire Behavior, "S" and "I" course at regional and National Centers since 1974 including presentations at EMI, NFA, Fire Rescue West, Fire House World and The Ca. Training Officer's Symposium.
