- 4) Secure official transcripts from **ALL** colleges you have attended. These must be in **ORIGINAL, SEALED ENVELOPES** and you must be able to turn in all of them at your VA Counselor appointment. Start this process early -- it takes four-six weeks, depending on your previously-attended college(s), whether within CA or out-of-state. In lieu of transcripts, you must sign a statement of no previous college units.
- 5) Obtain Proof of Service ([DD214](#)) and other proof of VA eligibility.
- 6) Complete [Veterans Benefit Request Form](#) for **each** school term.
