Creating Safe Communities

*In Partnership with Seal Beach Police Department*

## EMOTIONAL INTELLIGENCE (EQ) FOR LAW ENFORCEMENT

**What is EQ?** EQ is a set of skills that can be improved. Those who are able to increase their EQ have a distinct advantage, both professionally and personally, in a number of important areas, including self-awareness, emotional management, decision-making, and relationship skills.

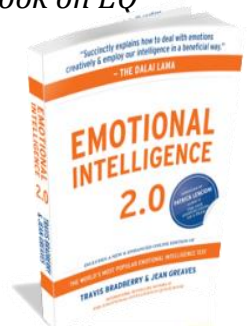

**Why EQ for Law Enforcement?** Because law enforcement personnel are exposed to countless stressful situations and this requires effective strategies on how to respond.

*All students will take a personal assessment and receive a complimentary book on EQ with strategies on how to improve their skills.*

Cmdr. Josef Levy (ret) Long Beach Police Department*
