# Samoa Peninsula Fire District

## Resident Firefighter Program

The Samoa Peninsula Fire District is seeking individuals interested in a fire service career to work and live at our fire station.

The resident firefighter program is a unique opportunity to gain hands-on experience and explore a career in the fire service while attending college or receiving occupational training.

Past volunteers are now employed by agencies such as LA County FD, San Francisco FD, Cal Fire, Humboldt Fire District 1, the US Forest Service, City Ambulance, and others.

Applications are currently being accepted. To request an application or for more information please send an email to [samoafire@gmail.com](mailto:samoafire@gmail.com)
